

One-Stop Solution for HR & Compliance

From compliance tools and articles to employee communications and more, GO COMPASS gives your clients access to thousands of resources, including content written and reviewed by attorneys and experts. Resources include:

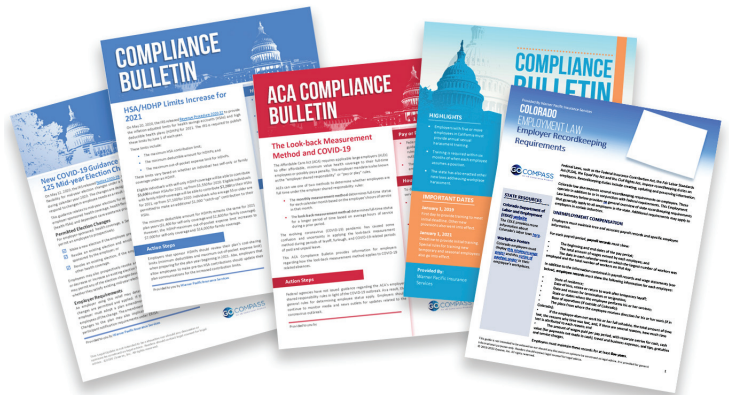

- **Employee Handbook Generator** — Zywave collects necessary information from clients, works with them to choose policies for a custom handbook
- **COVID-19 resource center** — Keeps your clients up to date with COVID-19 requirements
- **Interactive HR tools** — Helps solve business and HR needs; includes a custom job-description builder, interview-question builder, health plan compliance calendar and more
- **HR hotline** — Provides access to professionals who can answer top HR questions
- **HR online resource** — Offers access to user-friendly site with over 500 HR forms, documents and templates, ACA tools and more
- **ERISA SPD and Wrap generator** — Saves time; takes guesswork out of ERISA Wrap requirements
- **And much more!**
