Q2 2024 rates now available through your preferred quoting engine

We are pleased to announce the Q2 2024 rate book is now available on the dedicated Rates page of Broker Connection. Our second-quarter 2024 rate action is a statewide average of 2.0%. Closed rate books and more information about our rates can be found on Broker Connection [Small Business rates](#). Be sure to leverage the Employer Enrollment Tool to easily find quotes complete renewals in one streamlined digital experience.

April, May, and June 2024 renewals

Groups renewing in April, May, and June will be available to brokers on Thursday, January 11* through Shield Renewals. Group-level changes can be made using Small Group Online Renewal (SGOR) beginning Thursday, January 18.* To review exact renewal and enrollment dates for Q2, plus enrollment materials and updated rates books, visit our [Renewal Center page](#) on Broker Connection.

Group renewal information is available as a microsite for each group, and these can be accessed through Shield Renewals. You can also access the medical choice chart option, (which provides information about your clients' current and new plan rate) to buy up or buy down and check if Trio or Tandem is available. The choice chart will include the rate differential if you choose to move your client.

* Dates subject to change.

Vision plan highlights and updates for 2024:

Our 2024 new vision vendor is EyeMed. EyeMed is taking over the administration of vision benefits from MES for your employees. For more than a year, EyeMed (which acquired MES) has been working together to ensure a smooth transition.

Several portfolio vision changes are forthcoming, including:

- Optometric Out-of-Network visits now matches Ophthalmologic cost share.
- Eyeglass Frame Out-of-Network allowance increase.
- Plano (non-prescription sunglasses) – New benefit cost share for out-of-network.
- All vision plans include both Standard and Progressive Lenses (no-line bifocals) benefit
- Contact lens benefit updates:
 - Electives – reduce out-of-network allowance to match out-of-network frame allowance
 - Non-elective (medically necessary) – same cost share for hard and soft
